- 20W
- 1,200lm (Daytime)

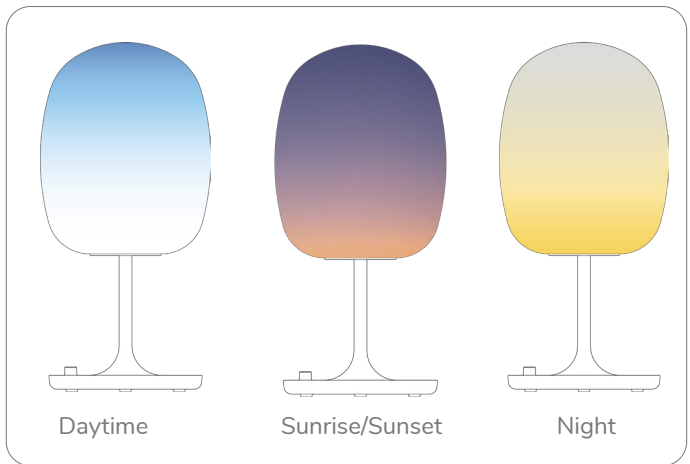

DIMENSIONS

- Fixture: 20.66"H x 10.00" Diameter
- 10.4lbs
- Cord Length 7'-6"

DAYTIME, SUNRISE/SUNSET, AND NIGHTTIME MODES

The SkyView Table Lamp offers both day and night time circadian lighting. During the day, the lamp should be used at full output so it can provide the daytime light signal our bodies need. At night, the table lamp can be dimmed to remove the daytime light signals.
