## Installation Guide

### Easy Rack Mount Solution with RapidRack™

1. Loosen RapidRack™ thumb screw enough to slide RapidRack™ plate.
2. Slide RapidRack™ plate into desired rack mount position.
3. Tighten RapidRack™ thumb screw to secure RapidRack™ plate into place.

#### Tip:

1. Extend RapidRack™ plates on one end and rest on rack ledge.
2. Extend RapidRack™ on opposite side to complete secure mounting solution.

#### IMPORTANT:

To avoid risk of damage to the fixture and their LEDs, make all wiring connections before plugging in power supply.

## ELECTRICAL SHOCK HAZARD

Read all instructions prior to performing installation. All facility wiring to be performed only by licensed electricians in accordance with National Electric Code and local code specifications. Failure to do so voids warranty and may result in serious injury or death. Supplied Connectors on all power cables have breaking capacity and can be installed by non-licensed individuals. Disconnect main power prior to installation, maintenance or service.
